

July 21, 2016

The continued meeting of the Cuyuna City Council July 7 meeting was held at 6:00 pm in City Hall. Present were Mayor Brix and council members Z. Brix, Stockard, and Zontelli. Councilmember Eisen was absent. Mayor Brix led the Pledge of Allegiance.

Also present was Steve Stroschein from the Crow Wing County Highway Department.

Council further discussed the approach to Powder House Road off of CSAH#31. In his discussion with Commissioner Houge, the 50/50 sharing of the costs would be the best scenario. Councilmember Zontelli also shared his researched information regarding the property in question. It shows Powderhouse Road still has Richard Harrison listed as the owner and the City would probably not be able to provide cost sharing for the improvement. He questioned why the county had waited this long. Steve Stroschein presented to the council a letter from the City in 1992 requesting the County and Mr. Harrison work to remedy the approach after CSAH#31 underwent major reconstruction in 1992. For a variety of reasons it had not been addressed, but that is what the County is attempting at this time. There had been several preliminary approvals to the development along Powderhouse Road and city approval for subdividing lots, but no final or recorded plat exists. All council members and the Mayor agreed the road approach is unsafe for residents and needs to be corrected. Council member Zontelli could discuss with the private road owner and the council can review if other options for the approach costs and road specifications are available. Clerk will check with County on their road specifications.

- **Motion by Z. Brix to continue the meeting to August 4 at 6:15 pm in City Hall to review options for the improved approach project. Second by Stockard. Motion carried unanimously.**
